I would recommend trying **Victoria Chen** as well. She is very knowledgable and takes care of everything personally.

It's your choice completely. I have told you the facts and you should go with your guy, because if you don't have confidence in your attorney, it may be difficult. I can only talk about myself. I would suggest getting evaluated by her (sending your CV) and then talk to her. My first conversation with her was for 1 hour and I figured out that she was the one most appropriate for my case.

Good luck!

Victoria Chen will draft all the letters for you, and her reply time is really fast (sometimes minutes, but maximum is 24 hours). Please let me know if you have more questions..And I applied for both EB1 and NIW!

Full refund for NIW, but not full for EB1 because I had less number of citations when I contacted her (around 70). By the time, I applied I had 130 citations.

She drafts the petition and rec letters for u, which are pretty amazing. I used 8 letters and she drafted all of them for me. Actually, she was ready to draft a couple more but that writer backed off. So, I don't think that's an issue. She did not push me for anything, but did guide me about what's needed and what is not. Like there is no role of buying the memberships of Who's Who and all. She prepared my case so well, that it was approved without RFE!!

I would strongly recommend **Victoria Chen**, if she takes your case. She is extremely knowledgeable, and guides you through each step. And she will reply to your queries at midnight also. She gives individual attention to every case, every letter and the cover letter. My case was approved after PP without RFE.

Topic: [EB1 PP](#)

Hello guys,

I have been following **trackitt** for last few months. I filed my EB1A early January and converted to PP last week. I just got an email that it was approved without RFE! I am very happy and want to thank everybody from the bottom of my heart for all the guidance that you guys provide here. It was extremely helpful.

Thanks.

My creds: 24 pubs, 25 abstracts, reviewer for 10-12 journals, editor for 1 prominent journal, judge for national conference abstracts, two of my papers were highlighted widely in media. Obtained 8 letters including 1 from Canada and 1 from Europe and 6 were unknown to me. Also obtained letters from Editor-in-Chiefs and Conference directors.
