to singhps:

I would say, contact **victoria chen** first and get an assessment about your chances of EB-1a approval. If **chen** is ready to take your case and gives you guaranteed approval then you have nothing to worry. I hired **Chen** law firm 2 months back and so far I have had outstanding response. I was frustrated by 2 previous lawyers who just took the money and did not do any work for more than a year.

I agree. Get an assessment by her first.
