BACKGROUND

SUMMARY

Chen Immigration Law Associates, P.A. is a nationwide U.S. immigration law firm with offices in Ann Arbor, Dallas/Fort Worth, New York, and Research Triangle Park. Since inception, we have dedicated to representing clients of corporations, research institutions, and individuals from all 50 U.S. states regarding I-140 immigration petitions. We are immigration experts and have a proven record of successful petition specifically in employment-based immigration visas: EB2-NIW (National Interest Waiver), EB1-A (Alien of Extraordinary Ability), EB1-B (Outstanding Researcher/Professor), EB1-C (Multinational Executive/Manager) and EB-2 with PERM (Labor Certification Process).

Chen Immigration Law Associates, P.A. keeps close track of the latest immigration trends and regulations of USCIS (U.S. Citizenship and Immigration Services), decisions of AAO (Administrative Appeal Office) and judicial review opinions. The massive collected materials contribute to the most convincing argument structure and winning strategies of our firm.

Approval of each and every case is the guarantee of Chen Immigration Law Associates, P.A. The key to our success is the way we present supporting evidence and the most high-quality petition letters we draft that adjudicating officers cannot reject. To provide the best immigration service, Chen Immigration Law Associates, P.A. only hires attorneys with 3-year J.D. degree from top law schools in the U.S. With the confidence of each case we take, approval is guaranteed. Otherwise, we refund 100% of the attorney fee.

We have one hundred percent confidence in our capability to successfully represent our clients, and we are also the only U.S. immigration law firm with refund policy on I-140 petition. That is not an empty guarantee but is specifically laid out in the attorney-client contract and is binding to our law firm.
